[Verse 1:]

I'm sorry for writing this letter,
I wish I had better to say.
This news is a strain on my heart
Cause someones trynna take us away.
I still see this cup more than half full
And I still got this room in my heart.

[Chorus:]

Cause baby I'm still in love
And only one tear away.
I'm still in love
No matter what they gotta say.
I'm still in love
And they can't take it away.
Cause I'm still in love with (I'm in love with you)

[Verse 2:]

I still hear the echoes of laughter.
The notes, you wrote hi on my shoe.
I still chase your kiss cause it's stained on my lips,
I lost a big part of myself.
I still see this cup more than half full
And I still have this love in my heart.

[Chorus:]

Cause I'm still in love
And only one tear away.
Cause I'm still in love
No matter what they gotta say.
I'm still in love
And they can't take it away.
Cause I'm still in love with (I'm in love with you)

[Bridge:]

Ain't nobody gonna tell me who to give my love to,
Cause I'm the only one I gotta answer to.
They won't end at that,
They wanna break us apart.
Cause I still have this love in my heart.

[Chorus:]

Cause I'm still in love
Only one tear away.
I'm still in love
No matter what they gotta say.
I'm still in love
They can't take it away.
Cause I'm still in loove with you (in in love with you)
I'm still in love,
Only one tear away.
I'm in still in love
No matter what they gotta say (I'm gonna love u
anyway).
Cause I'm still in love,
They can't take it away.
Cause I'm still in love with you.
