"Days Gone By"

It's where I am,
It's where I go,
When I need to be alone
Or find someone.
I'll sift sand and souls
And telephone poles
Stretched on this lonely stretch of road...
This beach head road.

But the days gone by...
For sure!
But tomorrow's back...
For more!
Don't let the days go by...
No more!

She is the one
I hear the roar,
But i'm lost just name the shore...
Just the name the shore.

The melted chest,
Today was the day
When all i had to say
Came flooding her way.

But the days gone by..
For sure!
But tomorrow's back...
For more!
Can't let the days go by
Once more!

Days gone by...
Days gone by...
Days gone by... â€¦

It's where I am,
So here I go.
Rehearse and first and no
Regrets to show.

What good is a speech
When at the beach?
Can't walk or talk or stand.
I guess i'll write it in the sand.

But the days gone by...
For sure!
But tomorrow's back...
For more!
Don't let the days go by...
No more!

Days gone by...
Days gone by...
Days gone by...
