I'm on a roll,  
And I know where I've been.  
Heart and soul got traded again.  
Moments of fashion not meant to stay...  
I live in the past like it was yesterday.  
Out of control,  
How much can things change in one day?

Another morning breaks  
And I've got nothin' to show.  
And I can't get lost  
If I don't know where to go.  
Solder my heart back into my frame.  
Could you color it red?  
Could you feed it the flame?

And I don't know why,  
I tried to race the burning sun.  
My eyes were so wide,  
I went on the run,  
And lost my royal one.

Clock on the wall has stalled,  
And things are moving too fast,  
As chaos revolves,  
All around this shattered heart of glass.  
And all the roads to happy years,  
Are paved with the ice  
From the darkest tears...  
But brightened by the ones  
Around you now, now, now.

Another morning breaks  
And I've got nothin' to show.  
And I can't get lost  
If I don't know where to go.  
Solder my heart back into my frame.  
Could you color it red?  
Could you feed it the flame?

And I don't know why

I tried to race the burning sun.  
My eyes were so wide,  
I went on the run,  
And lost my royal one.

And I don't know why  
I tried to race the burning sun.  
My eyes were so wide,  
When I turned  
To see what I had done...  
I could not believe it,  
I tried to race the burning sun.  
I could not believe it...  
I went on the run,  
And lost my royal one.
