You got me lonely, lonely
Lonely, lonely, lonely again

Have you ever been lonely
Have you ever been blue
Oh, so, blue
Ever loved someone
Just as I love you

Can't you see that I'm sorry
For mistakes I've made
Can't you see that I've changed
How I've changed
Can't you see that I've paid

Be a little forgiving
Take me back in your heart
In your heart
No use in living
Now that we're apart

If you knew what I've been through
You would know why I ask you
Have you ever been lonely
Have you ever been blue

Have you ever been
A lonely, lonely one
Have you ever been
Blue, blue, blue, blue, blue
Ever loved someone
Just as I love you

If you knew what I've been through
You would know why I ask you
Have you ever been lonely
Have you ever been blue

Have you ever been blue
Have you ever been blue
