Mesmerized I swallow a piece of your toxic mind, a
taste of decease.

I don't know why you've chosen me to be one of the
guinea pigs in your game.

Now I'm a wreck in hell to please you.

In this life we strive to feel so fine, to feel so alive.

On the way there's something new to try.

I swallow a piece and hope it's not a lie.

All around there are people who feel that it's all about
the things that we need.

It's not right what you've done to me but it might be a
way to make them see.

Now I'm a wreck in hell to please you.

In this life we strive to feel so fine, to feel so alive.

On the way there's something new to try.

I swallow a piece and hope it's not a lie.
