Cake and chocolate
Pudding and jelly
Dumplings and "karintou"
Cookies and ice cream

Why do I eat sweets?
Of course it's because
the sweets are there!

Sweets are so good, sweets, I'm so happy
Sweets are so fun, sweets are good
You gotta enjoy life!

Sweets are so good, sweets, I'm so happy
Sweets are so fun, sweets are good
You gotta enjoy life!

Sure there's such a thing
as spicy hot
But for the sake of happiness
Ya don't want to regret not trying

Even when you're tired
Eat something sweet
And try taking a break!

Sweet and yummy, a sweet meeting
Sweet and amazing, a sweet laugh
Life has so much variety, whoohoo!
