She is the one... Yeah yeah..
She is the girl with a mission
The keeper of cards
In a world full of danger

She is Sakura
Her magical powers
Are saving the world from danger

Destiny calls
She is the one
(Card Captors!)
She is the one
Destiny calls her name
(Card Captors!)

Waving her wand
Capturing all the cards, all the cards
(Card Captors!)
She is the one
Let the chase begin

Destiny calls
She is the one

Kiro's the one the protector of Clow Cards
He's guarding us all from the danger
He is a friend
He's the one
Who will fight by your side
In a world full danger

Destiny calls
She is the one
(Card Captors!)
She is one
Destiny calls her name
(Card Captors!)

Waving her wand
Capturing all the cards, all the cards
(Card Captors!)

She is one
Let the chase begin

Destiny calls
She is the one

She is the one...
She is the one...
She is the one...
She is the one...

Destiny calls
She is the one
(Card Captors!)
She is the one
Destiny calls her name
(Card Captors!)

Waving her wand
Capturing all the cards, all the cards
(Card Captors!)
She is the one
Let the chase begin

Destiny calls
She is the one

Yeah yeah.. Yeah...
