You can do anything  
If you believe it's true  
See what this friendship brings  
It can only get stronger when you work it through  
You can go anywhere  
Imagination will take you through  
Magic and mystery  
In a blink of an eye  
You could fly to the moon

Chorus:  
Out of all the people in the world  
You're the chosen one of every boy and girl  
Now your friends are here  
Your mission's clear  
You're the guardian of the cards

Every day is a new adventure  
As you discover the magic you need  
You uncover the mystic secrets  
Where the power within is a will to succeed  
Yes, this is your destiny  
This is what you were born to do  
Bring back the harmony  
To make a better world for me and you

(repeat chorus)

You're the guardian of the cards  
You're the chosen one  
Yes, you are  
No matter where you search  
Near or far  
You're the guardian of the cards

(repeat chorus)
