You need my lethal dosage  
That deadly poison that flows through your veins  
Little by little get's worse every time  
Your life goes down the drain

Your mind is overshadowed  
Ruins remain through your system  
Your blood is in my hands  
I feed on your lack of wisdom

[chorus]

Resh  
Resh

Flashbacks become a habit  
Your mind is on a lease  
Devoured inch by inch  
Devoured piece by piece

[chorus]

Resh  
Resh  
Rudely enjoyed suicidal habits

[solo]

Now that I own you  
Disconnected your soul from your mind  
Put you to death made you new  
Gave you a taste of my wine  
You dwell within my evil  
You are troubled you are in pain  
Too late can't get out of here  
Your sacrifice becomes my gain

[chorus]
