Come down now, strut your stuff.  
I worry about you.  
Its ok  
If you don't care  
Now im down and i wish you were here.  
Wish you were here. Wish you were.  
You need some, some downtime.  
Im sorry if you're so unhappy.  
Im dying without you.  
Be happy cause you know i care.  
And you're a queen (you're a queen)  
Surpass all things I've seen.  
Im dying without you.  
Call me sometime  
Sorry that you failed  
To f\*\*\* up my life like you f\*\*\*ed up theirs.  
Im trying to tell you all of the things that i meant to that  
day,  
I meant that day, wish i could.  
You need some, some downtime.  
Im sorry if you're so unhappy.  
Im dying without you.  
Be happy cause you know i care.  
And you're a queen (you're a queen)  
Surpass all things I've seen.  
Im dying without you.  
Call me sometime.  
Cheer up my, my old friend,  
Cause I offer interest in you x3
