I feel the heat of the night, locked in your arms so tight  
And everything says it's white, oh, she's so  
And then you come around, my walls come tumbling  
down  
And if it's love that I've found, now don't say no

I'll hold on, I can't go back  
I'm too far gone

(Can't stop this feeling)  
Oh no, and so I follow into where you are  
(Can't stop this feeling)  
And it's all about me loving you

(Can't stop this feeling)  
Oh no, I can't stop falling with stuff so strong  
(Can't stop this feeling)  
'Cause it's really in control of me  
And I feel that it'll always be, oh, oh

In the beginning I tried to keep my love in sight  
So many times I've cried very long  
But now you touch me this way  
And say the things you say  
I know I've got to stay on and on and on

Here with you  
There's nothing else I wanna do

(Can't stop this feeling)  
Oh, no and so I follow into where you are  
(Can't stop this feeling)  
And it's all about me loving you

(Can't stop this feeling)  
Oh no, I can't stop falling with stuff so strong  
(Can't stop this feeling)  
And it's really in control of me  
And I feel that it'll always be, oh, yeah, yeah

I can't go back  
I'm too far gone

(Can't stop this feeling)  
Oh no, and so I'll follow into where you are  
(Can't stop this feeling)  
And it's all about me loving you

(I can't stop this feeling)  
Oh no, I can't stop falling with stuff too strong  
(Can't stop this feeling)  
'Cause it's really in control of me, yeah

(I can't stop this feeling)  
No no, no no, no no  
(Can't stop this feeling)  
Girl, I wanna be where you are

(Can't stop this feeling)  
Too strong, I wanna be where you are  
(I can't stop this feeling)  
And so I follow into where you are

Can't stop this feeling  
I can't stop this feeling
