I used to worry cause another fella  
Tried to steal my girl away  
I used to toss and turn  
All through the night  
The thought of it kept me awake

Every time she walked by him  
She was all in his eye  
She set him straight, she told him  
I had to be her only guy

That's why I said  
Competition ain't nothing, y'all  
If you got a love that's true  
Competition ain't nothing, boy  
They just keep on loving you

Oh, yeah, hey, hey, baby

Crying out loud makes?  
Caused by jealousy  
Stop your crying  
Hang your head up high  
Some things aren't meant to be

Listen here, baby  
And if you cry cause you feel  
Someone's beating your time  
Dry your eyes and listen here  
Just to give you peace of mind, yeah

Competition ain't nothing, boy  
If you got a love that's true  
Competition ain't nothing, y'all  
They just keep on loving you

Oh, yeah, hear my heart beat, baby

Competition ain't nothing, y'all  
If you got a love that's true  
Competition ain't nothing, boy  
They just keep on loving you

Keep on loving you, baby  
Baby, keep on loving me  
Oh, baby, oh, baby  
I'm trying my best to love you, baby  
Oh, yeah, I'm-a loving you
