Hey, baby  
You're the finest thing I've seen  
In a long, long time, oh, yeah

Hey, baby  
I don't know your name  
But I swear you're mine

And before you walk away  
I just got to say

[CHORUS]  
You can drop by my place, baby  
Oh, anytime that you want, oh  
You can drop by my place, baby  
Oh, anytime that you want

Hey, girl, I hope I'll be  
The one that you choose  
Oh, yeah, hey, girl  
My offer will stand  
Even if I lose

I just got to say

[Repeat CHORUS]

We'll turn the lights down low  
Put some groovy music on the stereo  
We'll laugh and talk  
Over a glass of wine  
And at the end of the evening  
Oh, I hope you'll be mine

Oh, girl, I swear you're  
The finest thing  
That I ever did see  
Oh, yeah, hey, baby  
I'd really be proud if you  
Come home with me

Even if you don't

You can drop by my place, baby  
Listen to me, darling  
You can drop by my place, baby  
Oh, anytime that you want

Listen, baby, yeah  
You can drop by my place, girl  
If you can get yourself together  
And start walking

Oh, yeah, you can make it, oh  
You can drop by my place, baby  
Oh, anytime that you want..
