I'm a lucky devil, lucky devil
To find a little angel like you

The first time we touched
I was floating on air
I knew I was in Heaven
Though I never been there

[CHORUS]
On the level, I'm a lucky devil
To find a little angel like you
A sweet little angel like you

You don't play a harp
And you haven't got wings
But, ooh, you've got a lot
Of other heavenly things

[Repeat CHORUS]

Now maybe I've got no pitchfork
Maybe I've got no horns
But as long as I got you, baby
I'm the luckiest devil
That was ever born

Now your love is a treasure
And I know what it's worth
Cause I'm the only devil
That's in heaven on earth

[Repeat CHORUS]

Now maybe I've got no pitchfork
Maybe I've got no horns
But as long as I got you, baby
I'm the luckiest devil
That was ever born

Now your love is a treasure
And I know what it's worth
Cause I'm the only devil

That's in heaven on earth

[Repeat CHORUS]

A sweet little angel like you
