[CHORUS]

Well, Mona Lisa, Mona Lisa
Men have named you
You're so like the lady
With the mystic smile
Is it only 'cause you're lonely
They have named you
For that Mona Lisa strangeness
In your smile

Well, do you smile to
Tempt a lover, Mona Lisa
Or is this the way
To hide a broken heart

Are you warm
Are you real, Mona Lisa
Or just a cold and lonely
Lovely work of art

Well, in a villa
In a little old Italian town
Lives a girl whose beauty
Shames a rose

Many dreams have been brought to her
They all tumble down
What does she want
Nobody knows

[Repeat CHORUS]

Well, do you smile to
Tempt a lover, Mona Lisa
Or is this the way
To hide a broken heart

Are you warm
Are you real, Mona Lisa
Or just a cold and lonely
Lovely work of art

Or just a cold and lonely
Lovely work of art
Or just a cold and lonely
Lovely work of art
