Oh, sometimes it ain't easy boy, to roll out bed
And shake the cobwebs a-hangin' from your head
But you were born to be in the human race
And if you don't start movin' You're gonna finish in last
place
You gotta go-go-go, go-cat-go-cat-go Hey, that sun is
up and you can not lay around
Get off your butt, you can't do it sittin' down
Don't say you can't, can't never did a thing
If you believe you can and you can do anything
You gotta go-go-go, go-cat-go-cat-go You gotta go-cat-
go, you gotta hit that floor
You got to go-go-go, you got to go
Go-go-go, go-cat-go-cat-go (Now get gone!) It will
always be something, no matter who you are
Poor man has his worries, just like the movie star
Throw down your trouble, you get light on your feet
Just listen to the music boy, and move with the beat
You gotta go-go-go, go-cat-go-cat-go Watch your step
and stay off your brother's toes
If your brother needs your help, help him carry his
heavy load
And when this thing is over, someone greater than you
and I will award each winner with eternal life
You gotta go-go-go, go-cat-go-cat-go You gotta go-cat-
go, you gotta hit that floor
You got to go-go-go, you got to go
You gotta go-go-go, go-cat-go-cat-go (Ooh, yeah!)
