That's all right, that's all right
That's all right my mama, anyway you do

Well, mama she done told me
Papa done told me too
"Son, that gal your messing with
She ain't no good for you"

But, that's all right, yeah, that's all right
That's all right now mama, anyway you do

Well, I'm leaving town, baby
I'm leaving town for sure
This time you won't be bothered me
With me knocking on your door

But, that's all right, yeah, that's all right
That's all right now mama, anyway you do

But, that's all right, that's all right
That's all right now mama, anyway you do

But, that's all right, that's all right
That's all right now mama, anyway you do
