Angel, hold on to me,
Or come, closer, to me, don't go, don't leave me.

Angel, hold on to me,
Love, gives, all around me,
So silent, your love,
Like the stars above,
So silent, your love,
Hold on, hold on.

Ah ha oh,
Ah ha oh,
Oooooon to me,
Ah ha oh,
Ah ha oh,
Hold on to me.

(musical interlude)

Angel, hold on to me,
I'll call, call out to you,
It's paradise,
You, take me to.

Ah ha oh,
Ah ha oh,
Oooooh
'Coz my love, your love,
Will always be,

Ah ha haaaaa ooooh,
Ah ha haaaaa ooooh.
