Never knew, I could feel like this
Like I've never seen the sky before
Want to vanish inside your kiss
Everyday I love you more and more
Listen to my heart
Can you hear it says
Telling me to give you everything
Seasons may change, winter to spring
But I love you until the end of time
Come what may
Come what may
I will love you until my dying day

Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
Suddenly my life doesn't seem such a waste
It all revolves around you
And there's no mountain too high
no river too wide
Sing out this song and I'll be there by your side
Storm clouds may gather, stars may collide
But I love until the end of time

Come what may
Come what may
I will love you until my dying day
