I don't wanna lose  
This good thing baby  
That I got if I do, now I would surely  
I got to, I got to lose a lot

Oh 'cause your love is better than any love I know  
I said, "It's like thunder, glowing like lightning"  
Baby the, the way you love me is frightening  
I think I better knock, knock, knock, knock, knock, knock  
on wood

I'm not superstitious, about what?  
About you but I can't take no chance  
You got me spinning, spinning baby I'm in a trance  
Your love, yes it is better honey I tell you  
Is different more than anything I know

I said, "It's like thunder, like lightning  
The way you love me is frightening"  
I think I better knock, knock, knock, knock, knock, knock  
on wood

I don't see that women talking about color to feel my  
loving color  
You got me seeing she really see that that that that I  
can't get enough  
Oh, it's just one touch from you baby  
You know it means so much

I said, "It's like thunder like lightning  
The way you love me is frightening"  
I think I better knock, knock, knock, knock, knock, knock  
on wood

Knock, knock, knock, knock, knock on wood  
I think I better knock, knock, knock on wood  
I think I better knock, knock, knock on wood  
I think I better knock, knock, knock on wood

I think I better knock, knock, knock on wood  
I think I better knock, knock, knock on wood  
I think I better knock, knock, knock on wood

I think I better knock, knock, knock on wood
