I never consider myself
Someone as pretty as her
I never consider myself
A beautiful or pretty girl
I never consider myself
Someone who could be as
Beautiful as can be

I used to be confident
I used to be reluctant
I used to be really fly
But now I'm so shy

'Cuz when I stared at her
The girl in the mirror
I never thought I would fall
But it's clear, it's too clear

I thought I was invincible
I thought I was indestructible

I'll never smile again
I'll never laugh again
But I cry and cry and cry
Again and again

'Cuz when I stared at her
The girl in the mirror
I never thought I would fall
But it's clear, it's too clear

I never consider myself
Someone as pretty as her
I never consider myself
A beautiful or pretty girl
I never consider myself
Someone who could be as
Beautiful as can be

Yeah...
