I wonder why, why you're so mean to me
I wonder why, why you're so mean to me
I'll be good to you baby, good as a man can be

I'm gonna give you my picture woman, gonna put it in
your frame.
When I'm dead and gone, you'll remember my name.
I wonder why, why you're so mean to me
I'll be good to you baby, good as a man can be

Well, you told me that you love me, that you always will
be mine.
Now you've gone and left me, I'm the one who's cryin'.
I wonder why, why you're so mean to me
Yes, I do
I'll be good to you baby, good as a man can be
C'mon.

You told me that you love me, that you always will be
mine
But now you've gone and left me, I'm the one who's
cryin'
I wonder why, why you're so mean to me
I'll be good to you baby, good as a man can be
Here we go

I wonder why, why you're so mean to me
I said, I wonder why, why you're so mean to me
I'll be good to you baby, good as a man can be
Hey

I wonder why, I wonder why, I wonder why, I wonder
why
I wonder why, I wonder why, I wonder why, I wonder
why
I'll be good to you baby, good as a man can be
Yeah
Good as a man can be, yeah
I wonder why you're so mean to me
