Do you believe in magic in a young girl's heart
How the music can free her whenever it starts
And it's magic if the music can move ya
And don't just hold tight that it never can lose ya
Your feet start tapping
And you can't seem to find
If it's surely real
Or just a state of mind
If you believe in magic
Just close those big eyes
And think of all the wonderful thoughts that arise
And maybe if you dream it just right
Your toes will be over the tree tops tonight
And you'll be flying up and there you can see
Of the magic is in you and the magic is in me
If you believe in magic
Come along with me
We'll dance until morning
So it's just you and me
And maybe if the music is right
I'll meet you tomorrow so late at night
And we'll go dancing baby
There you'll see
That the magic is in the music and the music is in me
Believe in the magic of a young girl's soul
Believe in the magic of the rock and roll
Believe in the magic that can set you free ohhhh!!!!
Dream on dream on dream on -talking 'bout magic
Dream on everybody -do you believe in magic?
Dream on dream on dream on - do you believe
believer?
Dream on everybody -ohh!! talkin 'bout magic
Dream on dream on dream on -do you believe in
magic?
Dream on everybody - do you believe believer? (repeat)
If you believe like I believe you will see is true (3x)
