Never gunna give you up
Never gunna walk away
Never gunna letcha you go
Won't you stay

If you need a little time alone
You need a little time away
Need a little time to know what to say

She walks away
Don't know what she is feeling
She wouldn't let me know
Now that I've found you you've got to believe me
Promise I will never let you go

Never gunna give you up
Never gunna walk away
Never gunna letcha you go
Won't you stay

If you need a little time alone
You need a little time away
Need a little time to know what to say

She walks away
Don't know what she is feeling
She wouldn't let me know
Now that I've found you you've got to believe me
Promise I will never let you go

I'm holdin' on for you
That's all I ever do
It feels like I've been holdin' on forever
I've gotta let you know
That it's time to let you go
It's gone before the days are done
You're gunna be the lonely one

She walks away
Don't know what she is feeling
She wouldn't let me know

Now that I've found you you've got to believe me
Promise I will never let you go
