I feel fine
Now the rain is gone and the sun has come to shine
Nothin can get me down today

Head over heels
Got my mind made up as i'm driving through the fields
Nothin can get me down again

Catch me if you can
I gotta make a getaway

As the sun goes down
Wakin' up my dreams
And in my mind you're with me once again
Outta my heart Into your head
And inside my heart there's a place for you
And in my mind i'm with you once again
Outta my heart into your head

Chasing the sun
Tryin ta get away from the rain that's gonna come
Hope I make it all the way

I'm lost in a crowd
Tryin' ta find my way but the rain keeps fallin' down
Doesn't matter anyway

Catch me if you can
I gotta make a getaway

As the sun goes down
Wakin' up my dreams
And in my mind you're with me once again
Outta my heart Into your head
And inside my heart there's a place for you
And in my mind i'm with you once again
Outta my heart Into your head

Take a look
At the sky feel the sunshine
In your heart, In your head

In your own time

As the sun goes down
Wakin' up my dreams
And in my mind you're with me once again
Outta my heart Into your head
And inside my heart there's a place for you
And in my mind i'm with you once again
Outta my heart Into your head

Outta my heart Into your head
Outta my heart Into your head
