"Runaway"

Visit "[Runaway](#)" on MotoLyrics.com

Close your eyes, and tell me what you see
The two of us, and nothing in between
And run away with me
Say goodbye to all the tears you've cried
And all the pain, that you could never hide
And run away with me

Chorus

I can make you believe it's worth it
Dont be affraid to be free, cuz no one's perfect
I'll always be there by your side

Some one said that "love is all you need"
So take my hand, i'll show you what it means
Just run away with me

Chorus

Ohh....
You've heard it all before, but there's nothing i want
more
Ohh...

Chorus

Yes, i'll always be there by your side
Cuz i'm here for you
Yes, i'm here for you
