Who knows where the road may go?
Who knows where the wind will blow?
I've never seen you but I know that you exist
Something that I've always missed...heyyeah

I'm just trying to save us time
For now, will your love be mine
'cause in the morning you wake up on your own
I'm back on the lonely road...

Save me tonight...
Yeah, Yeah, baby
It may be wrong, but it feels so right
Save me tonight...
Yeah, Yeah, baby
Cause come tomorrow I'll be gone
Save me tonight

You know that it's not goodbye,
You know that I did not lie
Till the next time, they will come and they will go
Out on that lonely road

Save me tonight...
Yeah, Yeah, baby
It may be wrong, but it feels so right
Save me tonight...
Yeah, Yeah, baby
Cause come tomorrow I'll be gone

Guitar bridge

Save me tonight...
Yeah, Yeah, baby
It may be wrong, but it feels so right
Save me tonight...
Yeah, Yeah, baby
Cause come tomorrow I'll be gone
So won't you save me tonight (Save me tonight...)
Yeah, Yeah, baby
It may be wrong, but it feels so right
Save me tonight...

Yeah, Yeah, baby
Cause come tomorrow I'll be gone
So won't you save me girl
