I don't want nothing
'Cuz nothin's all you give
And I don't need your touch
'Cuz that would be too much for me
I don't want your lies
Burnin' deep inside of me
Look into my eyes
I don't want your sympathy

Should've known that it was over
It was different than before
As the love was turnin' colder
You didn't need me anymore
Now nothin' lasts forever
Like I said before
I don't want your sympathy no more

I don't want my love
To be misunderstood
So I think, I'm givin' up
I could never give enough, farewell
I don't want your lies
Burnin' inside of me
Look into my eyes
I don't want your sympathy

Should've known that it was over
It was different than before
As the love was turnin' colder
You didn't need me anymore
Now nothin' lasts forever
Like I said before
I don't want your sympathy no more

I don't want your sympathy
I don't need you here with me
I don't want your sympathy
I can't take it anymore
Because I've heard it all before

I should've known that it was over
It was different than before

As the love was turnin' colder
You didn't need me anymore
Now nothin' lasts forever
Like I said before
I don't want your sympathy no more

Should've known that it was over
It was different than before
As the love was turnin' colder
You didn't need me anymore
Now nothin' lasts forever
Like I said before
I don't want your sympathy no more
