Ladies and gents
Back by popular demand
It's the G&B with Carlos Santana

And a we, we, we, we're dirty dancin'
(To my people in the front)
And we, we, we, we're dirty dancin'
(To my people on the back)

And we, we, we, we're dirty dancin'
(To my people on the side)
And we, we, we, we're dirty dancin'
(Just ride, just ride)

Saturday night I went to this party
From wall to wall, the crowd was gettin' rowdy
Then I see this sexy lady on the dance floor
(Maria, Maria)
But before I asked her to dance this is what I said

Your eyes, got me mesmerized
You hips, make me wanna lick my lips
Your thighs, got me hypnotized
Swing your body from right to left

Fellas go grab a girl
To girls go grab a guy
To my people, don't stop now
Swing your body from right to left

And a we, we, we, we're dirty dancin'
(To my thugs in the club)
And a we, we, we, we're dirty dancin'
(To my girls club, club)

And a we, we, we, we're dirty dancin'
(To my kids on the streets)
And a we, we, we, we're dirty dancin'
(It's not a game, it's a party y'all)

And a we, we, we, we're dirty dancin'
(Oh, come on, girl)

And a we, we, we, we're dirty dancin'
(Yeah)
Oh, oh, oh, oh, oh, just ride
Just ride, just ride, just ride

You're feelin' the beat and now we're visin'
But it's too hot, the temperature is risin'
Girl, mamie, I want you, so don't say no
If you see tonight is a night for romance, girl

Your eyes, got me mesmerized
Your hips, make me wanna lick my lips
Your thighs, got me hypnotized
Swing your body from right to left

Fellas go grab a girl
To girls go grab a guy
To my people, don't stop now
Swing your body from right to left

Just close your eyes and take two steps back
Girl, hold me tight, scream out my name
Just let the rhythm move your soul
The product G&B is about to take control

And a we, we, we, we're dirty dancin'
(To all my people on the east side)
And a we, we, we, we're dirty dancin'
(To all my people on the west side)

And a we, we, we, we're dirty dancin'
(To all my people on the south side)
And a we, we, we, we're dirty dancin'
(To all my people on the north side)

And a we, we, we, we're dirty dancin'
And a we, we, we, we're dirty dancin'
Oh, oh, oh, oh, oh, Cleff records
Oh, oh, oh, oh, oh, you're on the rise king
Yo, get that lap dance playa

Just come and dance with me
I wanna dance with you
You're coming home with me
The way your movin', ooo, ooo, ooo, ooo
To my Latinos, to my Latinas

And a we, we, we, we're dirty dancin'
(To all my people in the mid-west)
And a we, we, we, we're dirty dancin'
(To all my people on the seas)
