Tell me just what you want me to be  
One kiss and boom you're the only one for me  
So please tell me, why don't you come around no  
more?  
'Cause right now I'm crying outside the door of your  
candy store

It just takes a little bit of this, a little bit of that  
It started with a kiss, now we're up to bat  
A little bit of laughs, a little bit of pain  
I'm telling you my babe it's all in the game of

Love is whatever you make it to be  
Sunshine instead of this cold lonely sea  
So pleased baby, try and use me for what I'm good for  
It ain't saying goodbye, it's knocking down the door of  
your candy store

It just takes a little bit of this, a little bit of that  
It started with a kiss, now we're up to bat  
A little bit of laughs, a little bit of pain  
I'm telling you my babe it's all in the game of love  
It's all in this game of love

You roll me, control me  
Console me, please hold me  
You guide me, divide me into, woah

So please tell me, why don't you come around no  
more?  
'Cause right now I'm dying outside the door of your  
loving store

It just takes a little bit of this, a little bit of that  
It started with a kiss, now we're up to bat  
A little bit of laughs, a little bit of pain  
I'm telling you my babe, it's all in the game of love

(A little bit of this, a little bit of that)  
It's all in this game of love, it's all in the game of love  
(A little bit of this, a little bit of that)  
Let's play the game of love

Roll me, control me  
(A little bit of this, a little bit of that)  
Please hold me  
(A little bit of this, a little bit of that)  
I'm out here on my own, on my own  
(A little bit of this, a little bit of that)  
(A little bit of this, a little bit of that)
