Tell me just what you want me to be  
One kiss and boom you're the only one for me  
So please tell me why don't you come around no more  
Cause right now I'm crying outside the door of your candy store

[Chorus:]

It just takes a little bit of this  
A little bit of that  
It started with a kiss  
Now we're up to bat  
A little bit of laughs  
A little bit of pain  
I'm telling you, my babe  
It's all in the game of love

This, whatever you make it to be  
Sunshine set on this cold lonely sea  
So please baby try and use me for what I'm good for  
It ain't sayin' goodbye that's knocking down the door of your candy store

[Chorus]

It's all in this game of love  
You roll me  
Control me  
Console me  
Please hold me  
You guide me  
Divide me  
Into what...

[Guitar solo]

Make me feel good, yeah

So please tell me why don't you come around no more  
Cause right now I'm dying outside the door of your loving store

[Repeat Chorus]

It's all in this game of love  
It's all in the game of love  
Yeah, in the game of love

Roll me  
Control me  
Please hold me  
(make me feel good, yeah)
