Who would've thought that you could hurt me?
Please don't act so deliberate so determined
Since you have been gone I bite my nails for days and hours
and question my own questions on and on
Tell me now, tell me now
Why you're so far away?
When I'm still so close

You don't even know the meaning of the words I'm sorry
You said you would love me until you die
And as far as I know you're still alive baby
You don't even know the meaning of the words I'm sorry
I'm starting to believe
It should be illegal to deceive a woman's heart

You tried so hard to be attentive
Always wanted, always supportive, always patient
What did I do wrong
Been wondering for days and hours
The tears are here
Where you belong
Anyhow, anyhow I wish you would follow plans
I hope you gave it all

But you don't even know the meaning of the words I'm sorry
You said you would love me until you die
And as far as I know you're still alive baby
You don't even know the meaning of the words I'm sorry
I'm starting to believe
It should be illegal to deceive a woman's heart

You don't even know the meaning of the words I'm sorry
You said you would love me until you die
And as far as I know you're still alive baby
You don't even know the meaning of the words I'm sorry
I'm starting to believe
It should be illegal to deceive a woman's heart

Open heart, open heart
It should be illegal to deceive a woman's heart

Open heart, open heart
It should be illegal to deceive a woman's heart
