You better take it easy, baby  
Before you go away  
You did me dirty  
You'll get yours one day

Watch your step  
Watch your step  
Watch your step  
Watch your step

Keep your eyes open wide  
'Cause you'll be hurting down inside

Watch your step  
Watch your step

Better leave me all your money  
Before you go away  
Don't think I'm funny, honey  
All I've got to say, you better

Watch your step  
Watch your step  
Watch your step  
Watch your step

'Cause when you took your love from me  
You left me full of misery

Watch your step  
Watch your step

Oh, I'm gonna miss your money, every night  
When I get myself together, baby  
I'm gonna be alright  
You better

Watch your step  
Watch your step  
Watch your step  
Watch your step

When you need me by your side  
I'm gonna say go somewhere and hide

Watch your step  
Watch your step

You better watch out, baby, everything you do  
I'm gonna keep my eyes focused right on you  
You better walk right, baby, everywhere you go  
If you like something back there's just one thing I know

Watch your step  
Watch your step  
Watch your step  
Watch your step

When you need me by your side  
I'm gonna say go somewhere and hide

Watch your step

Watch your step  
Watch your step  
Watch your step  
Watch your step

Watch your step  
Watch your step

Watch your step  
Watch your step  
Watch your step  
Watch your step

Watch your step  
Watch your step  
Watch your step  
Watch your step

Watch your step  
Watch your step
