Seems like you're everything Im livin for
Maybe you're everything I need
How do you keep it all together boy
Im not a fool
God, I wish you would leave
[Chorus]
(For what it's worth)
Youre fire in the rain
(For what it's worth)
Youre yesterdays mistakes
(No I don't mind)
If I make them all again
For what it's worth
You like the way I make it up to you
I hate the way, you know
Maybe it's time for you to come around
And keep comin back for more
But I'll show you the door
(For what it's worth)
Youre fire in the rain
(For what it's worth)
Youre yesterdays mistakes
(No I don't mind)
If I make them all again
For what it's worth
How did I get brave and old enough to work it out this
time
Maybe I forgot about the way you make me feel
If I could do it all again you know I'll make the same
mistake
And it's not too late
(For what it's worth)
Youre fire in the rain
(For what it's worth)
Youre yesterdays mistakes
(No I don't mind)
If I make them all again
For what it's worth
(For what it's worth)
Youre fire in the rain
(For what it's worth)

You're yesterday's complaints
(No I don't mind)
If I hear them all again
For what it's worth
For what it's worth
(For what it's worth)
(For what it's worth)
(For what it's worth)
(For what it's worth)
