(Do do do do do do, do do do do do)
(Do do do do do do)
Crazy days and Saturday nights
These are times I feel like I could dance
Do you wanna dance
Get away from the city lights
Ease my mind, I'll take a chance
Yeah I'll take a chance
And I used to make it look so easy
Now I just don't try anymore
[Chorus]
Cause Im livin on a dream
Nothin but love will save me (love will save me)
And Im livin on a dream
Nothin but love will save me, love will save me
(Do do do do do do, do do do do do)
(Do do do do do do)
Fool around at the end of the day
What a life, I'll think I'll live it all again
Catch a ride when you're goin my way
Go ahead, I think I'll sit this one out
Ill sit it out
And I used to think you'd see right through me
Now I don't care who might be watchin
Cause Im livin on a dream
Nothin but love will save me (love will save me)
And Im livin on a dream
Nothin but love will save me, yeah love will save me
Im livin on a dream
And nothin but love will save me (love will save me)
And Im livin on a dream
Nothin but love will save me, yeah love will save me
You gotta believe
You gotta believe
Yeah you gotta believe it
You gotta believe
Youre the same as me
The same as me
The same as me
Are you the same as me
And I used to make it look so easy

Now I just don't care anymore
Cause Im livin on a dream
Nothin but love will save me (love will save me)
And Im livin on a dream
Nothin but love will save me, yeah love will save me
Im livin on a dream
Nothin but love will save me (love will save me)
Cause Im livin on a dream
Nothin but love will save me (love will save me)
