(Heyâ€¦ heyâ€¦)
(Heyâ€¦ heyâ€¦)

Nothin' that I say
Is ever good enough for you
It's never bold enough for you
That much is clear

Everything I have
Amounts to nothing in the end
And falling in depends
Only on you
On you

[Chorus]
Oh, love, don't you feel the same
Oh, my love, don't you shield your flame
You take this heart and turn it into a fuse
All I mean is true

Every time I fall (every time I fall)
It's not a case of letting go
It's never easy saying so
But I'm the fool

And sorry never counts (sorry never counts)
If nobody sticks around
If I can never find the words
I mean for you
And only you

Oh, love, don't you feel the same
Oh, my love, don't you shield your flame
You take this heart and turn it into a fuse
All I mean is true

(La la la la la la)
Don't make me say it twice
(Oh, it's never enough)
(La la la la la la)
Don't make me say it again

(Heyâ€¦ heyâ€¦)
(Heyâ€¦ heyâ€¦)

Oh, love, don't you feel the same
Oh, my love, don't you shield your flame
You take this heart and turn it into a fuse
All I mean
All I mean
All I mean is true
