Laid myself a good plan  
Found myself a good man  
And made him blue

A solemn vow we both swore  
We built a house out of straw  
It fell in two  
Because of you  
It just won't do

[Chorus]  
Days  
Do not erase who you are  
Will never change you at all  
And time  
Will not define who you are  
Will never leave you a scar

Found myself a new love  
Wore him like a old glove  
To make it true

In the end we laid there  
And no longer we cared  
For love we stormed  
And stars we formed  
Too long ignored

Days  
Do not erase who you are  
Will never change you at all  
And time  
Will not define who you are  
Will never leave you a scar

Don't go so easy to the dawn  
(Stay with me, stay with me now)  
Don't work so hard to prove the bond

[Music]

Days  
Do not erase who you are  
Will never change you at all  
And time  
Will not define who you are  
Will never leave you a scar

Laid myself a good plan  
Found myself a good man  
And made him blue
