I see the world  
And it's turnin' round with ease  
If love is all we got  
Then we don't need your sympathy

I see the world  
And it's nothin' like it seems  
If this is all we got  
Then we don't need your sympathy

[Chorus ]  
All we've got is a never-ending melody  
When all I need is a storyline to carry me  
All we hear is a never-ending lullaby  
When all we need is another na-na-na-na-na

I know we're hopeless  
But I'm tryin' all the time  
If this is all I am  
Then I can't make you change your mind

I wonder how  
We will ever learn to drown  
If we cannot see the sky  
Then we'll never see the ground

All we've got is a never-ending melody  
When all I need is a storyline to carry me  
All we hear is a never-ending lullaby  
When all we need is another na-na-na-na-na

Na-na-na-na-na-na  
Na-na-na-na-na-na  
Na-na-na-na-na-na-na

Na-na-na-na-na-na  
Na-na-na-na-na-na  
Na-na-na-na-na-na-na

If you all learn to love again  
I'll hold you down till you settle in

When you wake up late at night  
I won't argue, I won't fight  
I won't deny your love  
All we need is na-na-na-na

Na-na-na-na-na-na  
Na-na-na-na-na-na  
Na-na-na-na-na-na-na

Na-na-na-na-na-na  
Na-na-na-na-na-na  
Na-na-na-na-na-na-na

I see the world (haâ€¦)  
And it's turnin' round with ease (haâ€¦)  
If love is all we got (haâ€¦)  
Then we don't need your sympathy

I see the world (haâ€¦)  
And it's nothin' like it seems (haâ€¦)  
If love is all we got (haâ€¦)  
Then we don't need your sympathy

I see the world  
And it's turnin' round with ease  
If love is all we got  
Then we don't need your sympathy
