Like a fusillade I recognise the same in me Baby, I can play Lie for lie, keeping up to speed

When you all need more to live for I just like to

[Chorus]
Feel in control
Nobody knows
Just to let it slide
We're in it deep
Nobody sees
Just let it slide
Let it go by

You're invincible And stage a riot for all to see Boy, a perfect ten The rarity at times like these

When you all got what you say for I'd still like to

Feel in control Nobody knows Just to let it slide We're in it deep Nobody sees Let it slide

A ride, baby
Far, baby
Far away
A ride, baby
Far, baby
Far away
You'll be alright, baby

[Music]

We're in control Nobody knows Just to let it slide We're in it deep Nobody sees Just to let it slide

We're in control Nobody knows Just to let it slide We're in it deep Nobody sees Just to let it slide

We're in it deep Nobody sees Just to let it slide We're in control Nobody knows Just to let it slide
