You're my arrow in the heart
You split me right apart
Oh, don't you see me

You're my angel in disguise
So open up your eyes
And don't deceive me

My satellite
My satellite

[Chorus]
You're so high (highâ€¦)
Don't hold me down
You're so high (highâ€¦)
Although on the ground
I'm floating out
I'm just about to

Keep me wakin' in the dark
Don't waste your sleepin' heart
And turn me over

Hide the ocean in your eyes
The danger in your smile
So don't believe me

My satellite
My satellite

You're so high (highâ€¦)
Don't hold me down
You're so high (highâ€¦)
Although on the ground
I'm floating out
I'm just about toâ€¦
Just about toâ€¦

(Oohâ€¦)
My satellite
(Oohâ€¦)

My satellite
(Oohâ€¦)
My satellite
(Oohâ€¦)
My satellite
(Oohâ€¦)
My satellite
(Oohâ€¦)

You're so high (highâ€¦)
Don't hold me down
You're so high (highâ€¦)
Although on the ground
You're so high (highâ€¦)
Don't weigh me down
I'm floating out
I'm just about to
