I loved a man unaffected
We set off for places unfound
He made everything golden and new
A well in this desolate land

Though we got stuck in traffic
And you lost your ticket

[Chorus]
Have you got a new saviour
A new harbour in the storm
Have you got a new saviour
And new arms to keep you warm
Hearts who beat as one
Have you got a new saviour
Have you got a new saviour

I had a heart unaccustomed to love
Adrift on the ocean unmanned
I braved the sea just to make it ashore
And bury my heart in the sand

Then I fall burning through it
And oh, lord I blew it (ohâ€¦!)

Have you got a new (new) saviour (saviour)
A new harbour in the storm
Have you got a new (new) saviour (saviour)
And new arms to keep you warm
Hearts who beat as one

So you got a new saviour
(Baby, have you lost your way)
Have you got a new saviour
(Baby, have you lost your way)
Have you got a new saviour
(Baby, have you lost your way)

So you got a new love
(Baby, have you lost your love)
So you got a new love

(Baby, have you lost your love)
So you got a new love
(Baby, have you lost your love)

Have you got a new saviour
A new harbour in the storm
Have you got a new (new) saviour (saviour)
And new arms to keep you warm
(Arms to keep you - hearts who beat)
Hearts who beat as one
(Arms to keep you - hearts who beat)
Arms to keep you warm
(Arms to keep you - hearts who beat)
Hearts who beat as one
(Arms to keep you - hearts who beat)
Arms to keep you warm
