Hey you
Know what you are
You're beautiful

Na na na nana na na
Na na na nana na na
Na na na nanana na na

Na na na nana na na
Na na na nana na na
Na na na nanana na na

You're beautiful
Beyond compare, can't help but stare
So full of life
Inspired, like a lonely child
You're magical
You're bless I appreciate it
You stop the clouds from crying
I'm sighing

But you don't see who you are
What you mean
I wish you could see yourself through my eyes
Try cause I don't lie

Beautiful you
Oh baby won't you come my way
Your beauty's true
Don't listen to what those might say
Beautiful you
Oh baby I'm so blown away
With everything we do
You're beautiful

Na na na nana na na
Na na na nana na na

Na na na nanana na na

You're spiritual
You touch me so, you're wonderful

Don't hide it, shout it out
And show the world
You're loveable
You crazy thing, you're so sexual
You stop the flowers from dyin'
I'm sighing

But you don't see who you are, what you mean
I wish you could see yourself through my eyes
Try cause I don't lie

Beautiful you
Oh baby won't you come my way
Your beauty's true
Don't listen to what those might say
Beautiful you
Oh baby I'm so blown away
With everything we do
You're beautiful

Na na na nana na na
Na na na nana na na
Na na na nanana na na
Listen up
I need you much more than special
You're my ultimate high
And I can't believe you're my lover
