Hey you could help me out?
' Cause it seems i've lost my way
This life and its pain and strife has seen its brighter
days
Hang on you say.
Don't stop you say.
Could help be on the way?

I'm movin' on.
I'm passing through the crossroads. Woah
I will be strong
I'm looking for tomorrow. Woah
It's only a step away.

It;s dark and it's getting late.
The day has long passed by.
I'm not moving,
I'm loosing time.
Could the starlight be my guide.

Let go you say.
Keep on you say.
'Cause help is on the way. Yeah

I'm movin' on.
I'm passin' through the crossroads. Woah
I will be strong
I'm looking for tomorrow. Woah

Its only a step away from passtimes
just so caught up inside
Help me find my way to the end of this ride
I won't let me down. Woah
Its only a step away

I'm movin' on (im movin' on)
I'm passin' through the crossroads (through the
crossroads)
Woah (woah)

I will be strong (i will be strong)

I'm looking for tomorrow (for tomorrow)
Woah (woah)

It's only a step (its only a step)
I've made up my mind (made up my mind)

Now is the time (now is the time)
Woah (woah)
Its only a step
Away

Hey you could help me out,
'cause it seems i've lost my way
