I'm a little rough around the edges.
Takes me a while to admit when im wrong.
Some people say im lost; im searching for something.

If you find it let me know
Or let me go....

Chorus
I dont know which way to go.
and I wont ever know what the future holds.
Now staying here i got to know.
I'm leaving so tell me goodbye.
Take my time cause i got to find if its right
Cause I'm dreaming my life away
And its time to wake up

I'm a little shy but wait till you know me.
Take me for a ride it wont take you long.
Look in my eyes is there something you see.

If you want me let me know.
Or let me go....

Chorus

I dont belong here, So long.
Im not at home here
if im wrong .I'll take the first train
thats on it way back to where im from
but you'll never know.
I got to take a chance you've got to let me run.

So let me go
let me go...

Chorus.
