Wake me up, you know how you doing hey you  
Wake me up, turn me on  
Wake me up, can me shake my body and my hands  
You know wanna be.  
Wake me up, you know how you doing hey you  
Wake me up, turn me on  
Wake me up, can me shake my body and my hands  
You know wanna be.  
Wake me up, wake me up...  
Care, I'm a lion in my bedroom  
And I think, I think: "It's time to go"  
Keep on tryin' but I can't get true  
And I need you saw...  
Everytime I looking to you right a penserious  
Everylook I think: "I want to live with you"  
But I need it and your love and your love can gear  
Give me the stream, give me your love... uhouho  
Wake me up, you know how you doing hey you  
Wake me up, turn me on  
Wake me up, can me shake my body and my hands  
You know wanna be.  
Wake me up, wake me up...  
When I'm looking for you baby  
Well I know, I know: "I find you go"  
When I'm calling, you can love me  
And I want you, saw...  
Everytime I looking to you right a penserious  
Everylook I think: "I want to live with you"  
But I need it and your love and your love can gear  
Give me the stream, give me your love... uhouho  
Wake me up, you know how you doing hey you  
Wake me up, turn me on  
Wake me up, can me shake my body and my hands  
You know wanna be.  
Wake me up, you know how you doing hey you  
Wake me up, turn me on  
Wake me up, can me shake my body and my hands  
Your love... wake me up...  
I want to live with you!  
Wake me up, you know how you doing hey you  
Wake me up, turn me on  
Wake me up, can me shake my body and my hands

You know wanna be.  
Wake me up, wake me up...
