I found love enough to hold you  
Tonight I'll stir the fire you feel inside  
Until the flames of love enfold you  
Laying beside you lost in the feeling  
So glad you opened my door  
Come with me  
Somewhere in the night  
We will know  
Everything lovers should know  
You're my song  
Music too magic to end  
I'll play you over and over again  
Loving so warm, moving so right  
Closing our eyes and feeling alive  
We'll just go on burning bright  
Somewhere in the night  
You'll sleep when the morning comes  
And I'll lie and watch you sleeping  
And you'll smile  
When you dream about the night  
Like it's a secret you've been keeping  
Laying beside you lost in the feeling  
So glad you opened my door  
Come with me

Somewhere in the night  
We will know  
Everything lovers can know  
You're my song  
Music too magic to end  
I'll play you over and over again  
Loving so warm, moving so right  
Closing our eyes and feeling alive  
We'll just go on burning bright  
Somewhere in the night  
Loving so warm  
Moving so right  
Closing our eyes and feeling alive  
We'll just go on burning bright  
Somewhere in the night  
Somewhere in the night

You are my song...music too magic to end
