Irresistible you I bet you knew  
About everything in this world  
A winning show lettin' everyone know  
They were lucky just to be your girl  
I should have know better than  
To get mixed up with you  
You swept me off my feet  
Turned me around  
Took my heart and then you took me down  
You swept me off my feet  
And like a fool I fell  
I fell straight to you  
Now I can tell ya how it feels  
To play the part of the fool  
How it feels  
To have the heart of the fool  
So debonair with a gentleman's flair  
You asked me out one evenin'  
And though I tried to conceal how you make me feel  
You knew just what I was thinkin'  
And before I knew it  
I was mixed up with you  
You swept me off my feet  
Turned me around  
Took my heart and then you took me down  
You swept me off my feet  
And like a fool I fell  
I fell straight to you  
Now I can tell ya how it feels  
To play the part of the fool  
How it feels  
To have the heart of the fool  
I guess you pulled it off  
You're a winner again  
And I've got to hand it to ya  
Cause I'm still entranced still romanced  
And honey I stil love ya  
But I should have known better than  
To get mixed up with you  
You swept me off my feet

Turned me around  
Took my heart and then you took me down  
You swept me off my feet  
And like a fool I fell  
I fell straight to you  
Now I can tell ya how it feels  
To play the part of the fool  
How it feels  
To have the heart of the fool
