(Kim Carnes/Dave Ellingson/Duane Hitchings
When voices through the thin walls
Speak of aberrant behavior
And the videos
Her only saviour
She turns it on when they're all gone
The she turns and slips her high heels on
Shadows fill the room
And she starts movin'
Voyeur voyeur are ya' hot tonight
Dance dance dance
Till it makes ya' feel good
Voyeur voyeur who ya' got tonight
Where love is still alive
It's just locked up inside
Lingerie and loveliness
Still lookin' for a strange and sweet caress
Her love life's hot
But her life's a mess
Says she's got no minor vices
And she makes no excuses
And she concedes
That she's the one she pleases
Voyeur voyeur are ya' hot tonight
Dance dance dance
Till it makes ya' feel good
Voyeur voyeur who ya' got tonight
Where love is still alive
It's just locked up inside
Voyeur voyeur are ya' hot tonight
Dance dance dance
Till it makes ya' feel good
Voyeur voyeur who ya' got tonight
Where love is still alive
It's just locked up inside
