I wished her life but death adored her.
They raped her corpse and all I did was mourn her.

Ate at her flesh until there was no more.
I'll hang myself so she feels closer.

Catch her in her dreams,
She's wishing she felt anything.
Catch me in my dreams,
This world gives me nothing.

Kill me in my dreams,
This world gives me nothing.
Kill me in my dreams;
This world is dead to me.

What if I just let you burn?
Don't say a f*cking word.

I'm here to bury me and I'm here to bury you.

Come a little closer and tell me all your sins.
Thoughts of stolen innocence since you can't
remember when.
Come a little closer and tell me all your lies.
I told you everything,
But there are some things you need to hide.

On your hands and knees,
I'm only human and we all have needs.

Catch her in her dreams,
She's wishing she felt anything.
Catch me in my dreams,
This world gives me nothing.

Kill me in my dreams,
This world gives me nothing.
Kill me in my dreams;
This world is dead to me.

Come a little closer and tell me all your sins.
Thoughts of stolen innocence since you can't
remember when.
Come a little closer and tell me all your lies.
I told you everything,
But there are some things you need to hide.

On your hands and knees.
