Think that I've become incurable  
A stool with a skirt could be possible  
Let me proceed I am hot as hell  
Don't go away jolie Mademoiselle

Let yourself go  
Go down below  
You won't have this honour everyday

She walked away, found me laughable  
My technique must be improvable  
Someone find me a charisma dealer  
An easy method of delicate humour

Rotten luck  
Lost again  
Another night  
With Mr. Hand

In the end  
Nobody goes unfucked but me  
(Fuck me I'm famous)  
Everyone gets a ride for free but me  
(Fuck me I'm famous)  
You can't hurry love no you just have to wait  
But waiting for thirty years seems OK  
(I'm with the band)  
Nobody gets unfucked but me

"Man turns animal for the erotic pleasures of women...  
and men."

Threatening would be unforgivable  
Drugging would be a poor spectacle  
Though the beast is howling to be fed  
Ain't got many choices to fill my bed

Let yourself go  
Go down below  
You won't have this honour everyday

This time it seemed to be feasible

She smiled and said I was edible  
While undressing she swore she loved our songs  
So I showed her all my bass licks all night long

Stuck up bitch  
She went away  
What's wrong with the girls today?

In the end  
Nobody goes unfucked but me  
(Fuck me I'm famous)  
Everyone gets a ride for free but me  
(Fuck me I'm famous)  
You can't hurry love no you just have to wait  
But waiting for thirty years seems OK  
(Where is my share?)  
Nobody gets unfucked but me

"The chase is better than the catch."

The chase is better than the catch  
But catching nothing gets boring  
Everyone gets a ride for free but me  
Ain't I Fuckable?
